## TAHKEEM

- Prof. Dr Nayla Comair-Obeid has been actively involved in both domestic and international arbitrations as party appointed arbitrator, chairperson, sole arbitrator, counsel and expert in various parts of the world.
- Among the parties engaged in these arbitrations have been states and state entities, international investors, telecommunications corporations, construction companies, distributors of various kinds of goods and equipment, banks and financial institutions, real estate developers as well as hotel management corporations.
- Professor Comair-Obeid has been systematically identified as one of the world’s leading practitioners in the field of international arbitration and dispute resolution by internationally renowned legal publications, which refer to her as “one of the most remarkable people in arbitration”. She also publishes prolifically and is regularly invited to lecture at world renowned academic institutions where her articles and scholarly publications are often cited as reference works.
